

ITAPI® G - Italia Personality Inventory (Form G)

We are conducting a survey about various aspects of everyday life. We'd like to ask you to point out for us which one of the following statements is true or not.

There are not correct nor incorrect answers, any answer is ok as long as it matches your own personality.

Please read every statement one at a time and check only one number per statement, avoiding corrections or changes of mind. Please answer according to your normal behavior in real life, even if this differs from how you would rather be. It is important to answer every question.

Please answer by checking the number right next to the statement (4 = I totally agree; 3 = I strongly agree; 2 = I am not sure if I agree; 1 = I definitely disagree).

This survey is anonymous and we thank you for your collaboration..
